

G.O.A.T - Greatest Healer

April 25

Ice Breaker:

When has “love required” something from you that you did not expect? As a friend, family member, neighbor or associate at work?

Digging Deeper:

Read **Mark 5: 21 - 30**

1. Jesus seems to be in a very busy season of his ministry during this time. How do you usually respond to the needs of others in busy life seasons?
2. Verse 26 reads, “She had suffered a great deal under the care of many doctors and had spent all she had, yet instead of getting better she grew worse.” If you feel comfortable sharing; have you ever been through a season like this or do you know someone who has experienced a season like this? A season where you try everything and things only get more difficult?
3. What do you notice about Jesus’ response to the woman mentioned in Mark 5?
4. Who do you know in your life that is in need of healing (physical, emotional or relational)? How could you be an extension of Jesus’ healing power to them this week?

Moving Forward:

Many of those who have a need within our own community visit the Center 4 Hope. Would you consider volunteering once a month? Visit www.center4hopegreece.org and click the “volunteer” button in the upper right corner to learn more.
