Daring Church – Daring Faith

Icebreaker: Share a crazy or recurring dream that you've had.

Opening Discussion: Looking back on your Engage and Grow notebook or your notes from the message, what stands out to you the most?

Digging Deeper:

Read *Revelation 3:1-6*

1. How can churches look “alive” but be spiritually dead?
2. What are characteristics of a healthy, spiritually alive church?
3. What are spiritual truths that you might be in danger of “falling asleep” on?
4. Jesus calls us back to remembrance of Him and Repentance to Him. Why is that so necessary in our Christian walk?
5. Do you see repentance as a burden or life-giving? Why?

6. There are three rewards that Jesus gives in this passage in verse 5 – dressed in white, name written in the Book of Life and acknowledgment. What do they signify and which is most meaningful to you?
