Bless This Home: Priorities

Jul 5, 2026

Icebreaker: What is your favorite meal?

Opening Discussion: Looking back on your Engage and Grow notebook or your notes from the message, what stands out to you the most?

Digging Deeper

Read Matthew 6:25-33

1. How would you define what a Christ-centered home is?
2. What is your heart currently hungry for?
3. Read **Matthew 6:33**. What “things” does Jesus say God is going to add?
4. What things are you tempted to seek first other than God?
5. What priorities do you have for your family?

6. Think about the quote “our children learn what is most important not from what we say, but from what we seek.” What things (positive and negative) do you think kids notice about you when it comes to faith?

7. How can you better live out hope in your home?

8. What things in your home do you need to put in their proper place?

Moving Forward: Pray for how you can help your family be more faithful.
