

Is your child ready for Hope Christian Preschool (HCPS)?

It is our goal that all children enrolled at HCPS have a positive school experience. To help guide you, please read the information listed below. By registering, you acknowledge that you understand these expectations.

1. HCPS is a Christian preschool. Your child will hear every day how Jesus loves us and will be taught age-appropriate Bible topics during “Bible time.” No prior Christian education or knowledge is needed, and children are not evaluated on Bible concepts during mid-year and/or year-end progress reports.
2. At HCPS, we believe in the power of routine. Each day follows a structured schedule, providing your child with a sense of security and predictability.
3. HCPS is not a low-ratio school. Class sizes can be found on the website. There are no more than two adults in the classroom at all times who need to work with all children in the classroom. Children who are more comfortable in a smaller classroom with less structure will find it difficult to settle in at HCPS.
4. All three and 4-year-olds are expected to be able to be still, listen, and not disrupt others during circle time for at least 5 minutes. This time will increase as the school year progresses and for the four year old age group.
5. Children will interact in the classroom routine without exhibiting repeated behaviors that require excessive staff attention to the disadvantage of other class members.
6. Children attending a three-day-a-week class must be in underwear and independent in the bathroom by the start of school. The full toileting policy and all of our policies can be found on our [website](#).

Hope Christian Prescription admits students of any race, color, or national or ethnic origin.
